Special Note Regarding the Meeting

We intend to hold the Meeting in person. However, we are sensitive to the public health and travel concerns our shareholders may have and recommendations that public health officials may issue in light of the evolving coronavirus (COVID-19) situation. As a result, we may impose additional procedures or limitations on Meeting attendees or may decide to hold the Meeting in a different location or solely by means of remote communication. We plan to announce any such updates on our website (wfam.com), and we encourage you to check this website prior to the Meeting if you plan to attend.

This proxy statement, the accompanying Notice of Annual Meeting of Shareholders, the proxy card and the Annual Report for the Fund for the fiscal year ended April 30, 2021 will be first sent to shareholders on or about June 30, 2021.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON AUGUST 9, 2021.

You may obtain a copy of this proxy statement, the accompanying Notice of Annual Meeting of Shareholders, the proxy card and the Annual Report for the Fund for the period ended April 30, 2021 without charge by visiting the website indicated on your proxy card.

PROXY SOLICITATION

The Board intends to bring before the Meeting the matter set forth in the accompanying notice. Holders of common shares (“Shares”) of the Fund (“Shareholders”) are being asked to vote for the re-election of Mr. William Ebsworth and Ms. Judith Johnson and Jane Freeman as Trustees. You can vote by returning your properly executed proxy card in the envelope provided or you may vote by telephone or Internet by following the instructions at the end of this proxy statement. When you complete and sign your proxy card, the proxies named will vote on your behalf at the Meeting (or any adjournments thereof) exactly as you have indicated. If you return a signed proxy card but no choice is specified, your Shares will be voted FOR the election of each of the nominees named in the enclosed proxy card.

If any other matters are properly presented at the Meeting for action, the persons named as proxies will vote in accordance with the views of management of the Fund. Shareholders, including a broker who may hold Shares on your behalf, may revoke a proxy prior to the Meeting by giving timely written notice of such revocation to the Fund at the address above, by submitting a subsequent proxy timely and in accordance with the methods prescribed by this proxy statement, or by attending the Meeting and voting in person.

The Fund's Second Amended and Restated Agreement and Declaration of Trust (the "Declaration") provides that the holders of thirty-three and a third percent (33 1/3%) of the Shares issued and outstanding, present in person or by proxy, shall constitute a quorum for the transaction of business at the Meeting. With regard to the election of Trustees, votes may be cast FOR all nominees or votes may be WITHHELD either with respect to all of the nominees or any individual nominee. Abstentions, broker non-votes (i.e., Shares held by brokers or nominee entities as to which (i) instructions have not been received from the beneficial owners or other persons entitled to vote and (ii) the broker or nominee entity does not have discretionary voting power on a particular matter), and votes that are withheld will count for purposes of determining whether a quorum is present but will have no effect with respect to the election of Trustees.

A plurality vote of the shares represented in person or by proxy at the Meeting and entitled to vote is required for the election of Trustees.

In the event a quorum is not present at the Meeting or a quorum is present but sufficient votes to approve a proposal are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies as to a proposal. The persons named as proxies will vote in favor of an adjournment those votes that may be voted in favor of the proposal. The persons named as proxies will vote against any such adjournment those votes marked as withheld. The Meeting, whether or not a quorum is present, may be adjourned from time to time by the vote of a majority of the Shares represented at the Meeting, either in person or by proxy; or by the chair of the Meeting, in his or her discretion. Abstentions and broker non-votes will not be voted on a motion to adjourn.

Any proposal for which sufficient favorable votes have been received by the time of the Meeting may be acted upon and considered final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal. In certain circumstances in which the Fund has received sufficient votes to approve a matter being recommended for approval by the Board, the Fund may request that brokers and nominee entities, in their discretion, withhold or withdraw submission of broker non-votes in order to avoid the need for solicitation of additional votes in favor of the proposal.

The Fund will bear the costs typically associated with the election of Trustees. Solicitation may be undertaken by mail, telephone, facsimile and personal contact. The Fund has engaged Computershare Fund Services to solicit proxies from brokers,

banks, other institutional holders and individual Shareholders for a fee of approximately \$3,632. This fee will be borne by the Fund.

Voting Securities and Principal Holders Thereof

Shareholders of record at the close of business on June 4, 2021 are entitled to vote at the Meeting or any adjournment thereof to the extent set forth in this proxy statement. As of June 4, 2021, the Fund had outstanding 60,586,214 Shares. Each Share is entitled to one vote for each dollar, and a fractional vote for each fraction of a dollar, of net asset value per Share for each Share held, as to any matter on which the Share is entitled to vote.

As of June 4, 2021, the Depository Trust Company owned of record approximately 100% of the outstanding Shares. No person is reflected on the books and records of the Fund as owning beneficially 5% or more of the outstanding Shares of the Fund as of June 4, 2021.

As of June 4, 2021, the officers and Trustees of the Fund as a group beneficially owned in the aggregate less than 1% of the Shares of the Fund, and together with their immediate family members, less than 1% of the outstanding securities of Wells Fargo & Company ("Wells Fargo"), the parent company of Wells Fargo Funds Management, LLC ("Funds Management"), the Fund's adviser, and Wells Capital Management Incorporated ("Wells Capital Management"), the Fund's sub-adviser.

I. ELECTION OF TRUSTEES (PROPOSAL 1)

The Board has nominated three persons for election to the Fund's Board. Each of these nominees currently serves on the Fund's Board and is thus sometimes referred to as a "nominee Trustee". In accordance with the Declaration, the Trustees have been divided into three classes (each a "Class"): Class I, Class II and Class III. The Trustees in each Class serve until the annual meeting for the year indicated: Class I, 2023; Class II, 2024; and Class III, 2022; or, if later, until their respective successors are elected and qualified. At each subsequent annual meeting, the persons elected to the Class of Trustees whose terms are expiring will generally be nominated for a three-year term. Staggered terms are adopted by many closed-end fund boards and can have the effect of promoting greater stability and long-term perspective. Staggered terms also have the effect of limiting the ability of other entities or persons to acquire control of a board by delaying replacement of a majority of the board. If any nominee Trustee for any reason becomes unable to serve or is unwilling to serve, the persons named as proxies in the enclosed proxy card, in consultation with the Board, will vote for the election of such other person or persons as they may consider qualified. Each of the three nominee Trustees has agreed to continue to serve as a Trustee on the Board if elected by Shareholders. The nominee Trustees for Class II are expected to serve the full term until the 2024 annual meeting.

The Board of the Fund proposes the following nominee Trustees for election at the Meeting:

Nominee Trustee	Class	Expiration of Term if Elected
William R. Ebsworth	Class II	2024 ¹
Jane A. Freeman	Class II	2024 ¹
Judith M. Johnson	Class II	2024 ¹

1. Or, if later, until their respective successors are elected and qualified.

You cannot vote by proxy for anyone other than the three nominee Trustees currently proposed to serve on the Board.

The Board of Trustees and Its Leadership Structure

Overall responsibility for oversight of the Fund rests with the Board. The Board has engaged Funds Management to manage the Fund on a day-to-day basis. The Board is responsible for overseeing Funds Management and other service providers in the operation of the Fund in accordance with the provisions of the Investment Company Act of 1940 (the “1940 Act”), applicable provisions of Delaware law, other applicable laws and the Declaration.

The Board is currently composed of nine members, each of whom is not an “interested person” of the Fund, as defined in the 1940 Act (an “Independent Trustee”). The Board currently conducts regular in-person meetings five times a year. In addition, the Board may hold special in-person or telephonic meetings or informal conference calls to discuss specific matters that may arise or require action between regular meetings.

The Independent Trustees have engaged independent legal counsel to assist them in performing their oversight responsibilities. The Board has appointed an Independent Trustee to serve in the role of Chairman. The Chairman’s role is to preside at all meetings of the Board and to act as a liaison with respect to governance-related matters with service providers, officers, attorneys, and other Trustees generally between meetings. The Chairman may also perform such other functions as may be delegated by the Board from time to time. Timothy Penny serves as Chairman of the

Board. In order to assist the Chairman in maintaining effective communications with the other Trustees and Funds Management, the Board has appointed a Chair Liaison to work with the Chairman to coordinate Trustee communications and to help coordinate timely responses to Trustee inquiries relating to board governance and fiduciary matters. The Chair Liaison serves for a one-year term, which may be extended with the approval of the Board. Ms. Freeman serves as Chair Liaison. Except for any duties specified herein or pursuant to the Declaration, the designation of Chairman or Chair Liaison does not impose on such Independent Trustee any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the Board generally.

The Board also has established a Nominating and Governance Committee, an Audit Committee and a Valuation Committee to assist the Board in the oversight and direction of the business and affairs of the Fund and from time to time may establish informal working groups to review and address the policies and practices of the Fund with respect to certain specified matters. Additionally, the Board has established an investment team to review in detail the performance of the Fund, to meet with portfolio managers, and to report back to the full Board. The Board occasionally engages independent consultants to assist it in evaluating initiatives or proposals. The Board believes that the Board's current leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over matters under its purview, and it allocates areas of responsibility among committees of Trustees and the full Board in a manner that enhances effective oversight. The leadership structure of the Board may be changed, at any time and in the discretion of the Board, including in response to changes in circumstances or the characteristics of the Fund.

As noted above, the Board has established a standing Nominating and Governance Committee, a standing Audit Committee and a standing Valuation Committee to assist the Board in the oversight and direction of the business and affairs of the Fund. The Nominating and Governance Committee and Audit Committee operate pursuant to charters approved by the Board. The Valuation Committee's responsibilities are set forth in Valuation Procedures approved by the Board. Each Independent Trustee is a member of the Fund's Nominating and Governance Committee, Audit Committee and Valuation Committee.

Nominating and Governance Committee. Except with respect to any trustee nomination made by an eligible Shareholder or Shareholder group as permitted by applicable law and applicable provisions of the Declaration and By-Laws of the Fund, the Nominating and Governance Committee shall make all nominations for membership on the Board. The Nominating and Governance Committee shall evaluate each candidate's qualifications for Board membership and his or her independence from the Fund's investment adviser and sub-adviser and, as it deems appropriate, other principal service providers. Olivia Mitchell serves as the Chair of the Nominating and Governance Committee.

The Nominating and Governance Committee has adopted procedures by which a Shareholder may properly submit a nominee recommendation for the Nominating

and Governance Committee's consideration, which are set forth in Appendix A to the Fund's Nominating and Governance Committee Charter. The Shareholder must submit any such recommendation (a "Shareholder Recommendation") in writing to the Fund, to the attention of the Fund's Secretary, at the address of the principal executive office of the Fund. The Nominating and Governance Committee has full discretion to reject candidates recommended by Shareholders, and there is no assurance that any such person properly recommended and considered by the Nominating and Governance Committee will be nominated for election to the Board. For more information relating to Shareholder recommendations, please see the Fund's Nominating and Governance Committee Charter attached as Exhibit A.

The Nominating and Governance Committee may from time-to-time propose nominations of one or more individuals to serve as members of an "advisory board," as such term is defined in Section 2(a)(1) of the 1940 Act.

Valuation Committee. The Board has delegated to the Valuation Committee the authority to take any action regarding the valuation of portfolio securities that the Valuation Committee deems necessary or appropriate, including determining the fair value of securities between regularly scheduled Board meetings in instances where that determination has not otherwise been delegated to the valuation team of Funds Management ("Management Valuation Team"). The Board considers for ratification at each quarterly meeting any valuation actions taken during the previous quarter by the Valuation Committee or by the Management Valuation Team other than pursuant to Board-approved methodologies. Any one member of the Valuation Committee may constitute a quorum for a meeting of the committee.

Audit Committee. The Audit Committee oversees the Fund's accounting and financial reporting policies, including their internal controls over financial reporting; oversees the quality and objectivity of the Fund's financial statements and the independent audit thereof; and interacts with the Fund's independent registered public accounting firm on behalf of the full Board and with appropriate officers of the Fund. Isaiah Harris, Jr. serves as the Chairman of the Audit Committee.

The Board and individual committees met the following number of times during the most recently completed fiscal year:

	Number of Meetings During Last Fiscal Year
Regular Meetings	6
Special Meetings	0
Nominating and Governance Committee Meetings	3
Valuation Committee Meetings	0
Audit Committee Meetings	5

Each Trustee attended at least 75% of the aggregate of the total number of meetings of the Board and committees on which he or she served.

The Board of Trustees and Risk Oversight

The Fund is subject to a number of risks, including investment, compliance, operational, and valuation risks, among others. Day-to-day risk management functions are subsumed within the responsibilities of Funds Management, Wells Capital Management and other service providers (depending on the nature of the risk), who carry out the Fund's investment management and business affairs. Each of Funds Management, Wells Capital Management and other service providers have their own, independent approach to risk management, and their policies and methods of carrying out risk management functions will depend, in part, on their individual priorities, resources and controls.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects and that it is necessary for the Fund to bear certain risks (such as investment-related risks) to pursue its goals. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others, Funds Management, Wells Capital Management, the Chief Compliance Officer of the Fund, the Chief Risk Officer of Funds Management, the independent registered public accounting firm for the Fund, and internal compliance auditors for Funds Management or its affiliates, as appropriate, regarding risks faced by the Fund and relevant risk functions. The Board, with the assistance of its investment teams, also reviews investment policies and risks in connection with its review of the Fund's performance. The Board has appointed a Chief Compliance Officer who oversees the implementation and testing of the Fund's compliance program and regularly reports to the Board regarding compliance matters for the Fund and its principal service providers. Funds Management has appointed a Chief Risk Officer to enhance the framework around the assessment, management, measurement and monitoring of risk indicators and other risk matters concerning the Fund and develop periodic reporting of risk management matters to the Board. In addition, as part of the Board's periodic review of the Fund's advisory, sub-advisory and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. With respect to valuation, the Board oversees a management valuation team comprised of officers and employees of Funds Management, has approved and periodically reviews written valuation policies and procedures applicable to valuing the Fund portfolio investments, and has established a valuation committee of Trustees. The Board may, at any time and in its discretion, change the manner in which it conducts its risk oversight role.

Qualifications of Trustees and Nominee Trustees

The Declaration does not set forth any specific qualifications to serve as a Trustee. The Charter and the Statement of Governance Principles of the Nominating and Governance Committee also do not set forth any specific qualifications, but do set forth certain factors that the Nominating and Governance Committee may take into

account in considering Trustee candidates and a process for evaluating potential conflicts of interest, which identifies certain disqualifying conflicts.

Among the attributes or skills common to all Trustees are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other Trustees, Funds Management, the Fund's sub-adviser(s), other service providers, counsel and the independent registered public accounting firm, and to exercise effective and independent business judgment in the performance of their duties as Trustees. Each Trustee's ability to perform his or her duties effectively has been attained through the Trustee's business, consulting, public service, professional and/or academic positions and through experience from service as a board member of the Fund and the other funds in the Fund Complex (and/or in other capacities, including for any predecessor funds), other registered investment companies, public companies, and/or non-profit entities or other organizations. Each Trustee's ability to perform his or her duties effectively also has been enhanced by his or her educational background, professional training, and/or other life experiences. The specific experience, qualifications, attributes and/or skills that led to the conclusion that a Trustee should serve as a Trustee of the Fund are as set forth below.

Prior thereto, he served as a Board member of Hong Kong Securities Clearing Co., Hong Kong Options Clearing Corp., the Thailand International Fund, Ltd., Fidelity Investments Life Insurance Company, and Empire Fidelity Investments Life Insurance Company. since 2009, and has been a director of CIGNA Corporation since 2005. He served as a director of Deluxe Corporation from 2003 to 2011. Consideration of Diversity by the Nominating and Governance Committee

The Nominating and Governance Committee takes the overall diversity of the Board into account when considering and evaluating nominees for Trustee. While the Nominating and Governance Committee has not adopted a specific policy on diversity or a particular definition of diversity, when considering nominees, the Nominating and Governance Committee generally considers the manner in which

each nominee's professional experience, background, skills in matters that are relevant to the oversight of the funds (e.g., investment management, distribution, accounting, trading, compliance and legal), and general leadership experience are complementary to the existing Trustees' attributes.

Nominating and Governance Committee

The members of the Nominating and Governance Committee are "independent" as defined in the NYSE American Exchange's listing standards. The Board has adopted a written Nominating and Governance Committee Charter which is attached to this proxy statement as Exhibit A. The Nominating and Governance Committee Charter describes the Nominating and Governance Committee functions. The Nominating and Governance Committee reviews the Nominating and Governance Committee Charter at least annually and may recommend changes to the Board.

The Board has approved a policy pursuant to which the Board may consider nominees for election as Trustees, which is described further in the Nominating and Governance Committee Charter. The policy states the minimum nominee qualifications, the process for identifying and evaluating trustee nominees and the process for considering nominees recommended by Shareholders.

Communications with Board Members

The Board has approved a policy for communications with Board members. Any Shareholder who wishes to send a communication to the Board should send the communication to the Wells Fargo Income Opportunities Fund Board of Trustees, 525 Market Street, 12th Floor, San Francisco, California 94105. If a Shareholder wishes to send a communication directly to an individual Trustee or to a committee of the Fund's Board, the communication should be specifically addressed to such individual Trustee or committee and sent to the above address.

Trustee Attendance Policy at Annual Shareholder Meetings

Funds that are listed on the NYSE American Exchange are required each year to hold an Annual Meeting of Shareholders. It is the policy of the Fund to encourage at least one Trustee to attend each such Annual Meeting of Shareholders either in person, by video conference, or by teleconference. Mr. William R. Ebsworth and Ms. Pamela Wheelock attended the previous year's Annual Meeting of Shareholders telephonically.

Funds Management is an indirect, wholly owned subsidiary of Wells Fargo. The principal business address of Funds Management is 525 Market Street, San Francisco, California 94105.

Wells Capital Management, a subsidiary of Wells Fargo and an affiliate of Funds Management, currently serves as the sub-adviser to the Fund. The principal business

address of Wells Capital Management is 525 Market Street, San Francisco, California 94105.

KPMG LLP ("KPMG"), Two Financial Center, 60 South Street, Boston, Massachusetts 02111, has been approved by the Trustees of the Fund as the independent registered public accounting firm of the Fund for the current fiscal year ending April 30, 2021.

The Audit Committee of the Board unanimously recommended the selection of KPMG, and the Board unanimously approved such selection, at meetings held on May 19, 2021.

The Fund's Audit Committee has established and adopted policies and procedures whereby the Audit Committee Chairman is authorized to pre-approve: (1) audit services to the Fund; (2) non-audit tax or compliance consulting or training services provided to the Fund by its independent registered accounting firm if the fees for any particular engagement are not anticipated to exceed a specified dollar amount; and (3) non-audit tax or compliance consulting or training services provided by the independent registered public accounting firm to the Fund's investment adviser and its adviser affiliates (where pre-approval is required because the engagement relates directly to the operations and financial reporting of the Fund) if the fee for any particular engagement is not anticipated to exceed a specified dollar amount. For any pre-approval sought from the Chairman, the adviser shall prepare a brief description of the proposed services. If the Chairman approves such service, he or she shall sign the statement prepared by the adviser, and such written statement shall be presented to the full Audit Committee at its next regularly scheduled meeting.

A representative of KPMG, if requested in advance by any Shareholder, will be present via telephone at the Meeting to respond to appropriate questions from Shareholders and will have an opportunity to make a statement if he or she chooses to do so. Absent such a Shareholder request, it is not expected that such representative will be present at the Meeting.

In approving the selection of KPMG for the Fund, the Audit Committee considered, in addition to other practices and requirements relating to the selection of the Fund's independent registered public accounting firm, whether any services performed by KPMG for the Fund and the investment adviser and for certain related parties for which KPMG received non-audit fees are compatible with maintaining the independence of KPMG as the Fund's independent registered public accounting firm.

On June 22, 2021, the Audit Committee reviewed and discussed with management the Fund's audited financial statements for the fiscal year ended April 30, 2021. The Audit Committee has reviewed and discussed with KPMG the matters required to be discussed by Statements on Auditing Standards, No. 114, Communication with Audit Committees. The Audit Committee has received the written disclosures and the letter from KPMG required by the Public Company Accounting Oversight Board regarding certain communications, and has discussed with KPMG its independence. Based on

these reviews and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the annual report to Shareholders for the previous fiscal year for filing with the SEC.

The following table presents fees billed for professional audit services rendered by KPMG for the audit of the Fund's annual financial statements for the past two fiscal years and for fees billed for other services rendered by KPMG to the Fund. There were no fees paid to KPMG during the fiscal years where the de minimis exception was used.

	2021	2020
Audit fees	\$77,610	\$57,090
Audit-related fees	\$0	\$0
Tax fees ¹	\$4,400	\$4,340
Non-audit fees	\$0	\$0
All other fees	\$0	\$0

1. Tax fees consist of fees for tax compliance, tax advice, tax planning and excise tax.

Shareholder Proposals

Proposals intended to be presented by a Shareholder at the annual meeting of Shareholders to be held in 2022 must be received by the Fund's Secretary at the Fund's principal executive office by March 2, 2022 in order to be considered for inclusion in the Fund's proxy statement and proxy card relating to that meeting pursuant to Rule 14a-8 under the Exchange Act. If a Shareholder wishes to present a proposal at the annual meeting of Shareholders to be held in 2022 without having the proposal included in the Fund's proxy statement, including a proposal to nominate any persons for election to the Board, such proposal must be delivered to the Fund's Secretary at the Fund's principal executive office not earlier than the close of business on March 2, 2022 and not later than the close of business on April 1, 2022. CHARTER OF THE NOMINATING AND GOVERNANCE COMMITTEES

Nominating and Governance Committee Membership and Chair

The Nominating and Governance Committee of each Trust (the “Committee”) shall be composed only of Trustees who are not “interested persons” of the Trusts, or of any investment adviser or principal underwriter of the Trusts or any series thereof (a “Fund”), as defined in the Investment Company Act of 1940 (“Independent Trustees”). The full Boards shall designate the members of the Committee, after due consideration of nominations, if any, from the Committee, and shall designate the Chair.

Board Nominations

1. Except with respect to any trustee nomination made by an eligible shareholder or shareholder group as permitted by applicable law (and, with respect to each Trust that is a registered closed-end management investment company (“Closed-End Fund”), in accordance with the By-Laws of such Closed-End Fund), the Committee shall make all nominations for membership on the Board of Trustees of each Trust. The Committee shall evaluate each candidate’s qualifications for Board membership and his or her independence from the Funds’ investment adviser(s) and principal underwriter(s) and, as it deems appropriate, other principal service providers. Any person nominated to serve as an Independent Trustee must not be, on the effective date of his or her appointment or election, an “interested person” of the Trusts, or of any investment adviser or principal underwriter of the Funds, as defined in the Investment Company Act of 1940 (the “1940 Act”), and, with respect to each Closed-End Fund, such person must also satisfy, on such date, applicable independence requirements of the listing standards of securities exchanges on which shares of such Closed-End Fund are traded.

a. The Committee may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry, business, professional and related experience and accomplishments, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate’s ability, judgment and expertise and the candidate’s ability to work effectively and collaboratively with other members of the Board, and

(vi) overall diversity of the Board's composition and how the candidate's skills, experiences and attributes would contribute to the mix of relevant skills and experience on the Board.

b. The Committee will consider and evaluate nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources. Appendix A to this Charter, as it may be amended from time to time by the Committee, sets forth procedures that must be followed by shareholders to submit properly a candidate for nomination by the Committee. Shareholder recommendations not properly submitted in accordance with the requirements of Appendix A will not be considered for nomination by the Committee.

2. Process for evaluating independence and potential conflicts of interest of Independent Trustee candidates.

a. As a threshold matter, the background of a candidate to serve as an Independent Trustee must be reviewed to confirm that the person meets or, on the effective date of his or her appointment or election will meet, the technical requirements under the 1940 Act for being an Independent Trustee, and, with respect to Independent Trustee candidates for the Board of each Closed-End Fund, that such person satisfies or, on the effective date of his or her appointment or election will satisfy, applicable independence requirements of the listing standards of securities exchanges on which shares of such Closed-End Fund are traded.

b. In addition to satisfying the applicable technical requirements set forth in 2.a., above, the candidate's business and personal connections (as reflected in the responses to questions in the Trustees' and Officers' Questionnaire completed by each current and prospective Trustee) must be reviewed to confirm that they do not create any actual or potential impairment to the person's independence with respect to the Funds.

c. With respect to any candidate, the Committee shall elicit such information from senior management that the Committee deems appropriate, if any, to evaluating the merits of the candidate.

d. Disqualifying factors:

i. No candidate shall be nominated for membership on the Board if, upon appointment or election to the Board, that candidate serves or has agreed to serve on the board of any registered investment company outside of the Wells Fargo Funds family, unless otherwise approved by the Committee. No candidate shall be nominated for membership on the Board if that candidate serves or has agreed to serve as an officer, partner, employee, or in any similar capacity with a firm that serves as an investment adviser, sub-adviser, or principal underwriter of any registered investment company outside of the Wells Fargo Funds family. Similarly, if a candidate serves in such capacity for a registered investment adviser or registered broker-dealer, but that firm currently does not serve as an investment adviser, sub-adviser, or principal underwriter for any such registered investment company, such candidate shall be nominated only upon the express agreement that he or she would resign

from the Board in the event that his or her firm subsequently undertakes such a role for any registered investment company outside of the Wells Fargo Funds family; provided, that if a candidate is an officer, partner, or employee of, or serves in a similar capacity for, a broker-dealer, nothing herein is intended to confer on such candidate eligibility for nomination as an Independent Trustee if he or she would be an "interested person" of the Funds pursuant to the 1940 Act by virtue of the activities of such broker-dealer.

ii. No candidate shall be nominated for membership on the Board if that candidate serves on the board of a firm that serves as an investment adviser, sub-adviser or principal underwriter of any registered investment company outside of the Wells Fargo Funds family, unless an exception from this policy is expressly approved by the Committee. Similarly, if a candidate serves on the board of a registered investment adviser or registered broker-dealer, but that firm currently does not serve as an investment adviser, sub-adviser, or principal underwriter of any such registered investment company, such candidate shall be nominated only upon the express agreement that he or she would, unless an exception from this policy is expressly approved by the Committee, resign from the Board in the event that his or her firm subsequently undertakes such a role for any registered investment company outside of the Wells Fargo Funds family. Notwithstanding the foregoing, if a candidate is a director of a broker-dealer, nothing herein is intended to confer on such candidate eligibility for nomination as an Independent Trustee if he or she would be an "interested person" of the Funds pursuant to the 1940 Act by virtue of the activities of such broker-dealer.

3. The Committee shall review the composition of the Board when it deems it appropriate to do so to determine whether it may be appropriate to recommend adding individuals with backgrounds or skill sets that differ from those of the individuals already on the Board and/or recommend expanding or contracting the size of the Board.

Committee Nominations and Functions

1. The Committee shall propose nominations for membership on all committees and shall review committee assignments when it deems it appropriate to do so.

2. The Committee shall review as necessary the responsibilities of any committees of the Board, whether there is a continuing need for each committee, whether there is a need for additional committees of the Board, and whether committees should be combined or reorganized. The Committee shall make recommendations for any such action to the Board. With respect to any committee of the Board of a Closed-End Fund, the powers, functions, size, membership and other aspects of the committee shall conform with any applicable requirements of the By-Laws of such Closed-end Fund.

Nominating and Governance Committee Chair

1. Chair of the Nominating and Governance Committee.

- a. Only a Trustee who is an Independent Trustee may serve in the role of Chair of the Committee.
 - b. In addition to any powers and duties specified in this Charter, the Chair of the Committee's role is to preside at all meetings of the Committee and to act as a liaison with respect to governance-related matters with service providers, officers, attorneys, and other Committee members generally between meetings.
 - c. The Chair of the Committee shall be entitled to receive an additional annual fee in such amount, and payable in such frequency and manner, determined from time to time by the Board, for the additional work and time devoted by the Chair of the Committee.
2. Except for any duties specified herein or pursuant to a Trust's charter document, the designation of Chair of the Committee does not impose on such Trustee any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the Board generally.

Compensation

1. The Committee shall periodically review and recommend any appropriate changes to trustee compensation to the Board.

Fund Share Ownership

1. The Committee shall periodically review and recommend any appropriate changes in respect of policies regarding share ownership in Wells Fargo Funds by Trustees.

Board Leadership Structure

1. The Committee shall periodically review the Board leadership structure and shall recommend any appropriate changes to the Board.

Advisory Trustee Nominations

1. The Committee may from time-to-time propose nominations of one or more individuals to serve as members of an "advisory board," as such term is defined in Section 2(a)(1) of the 1940 Act ("Advisory Trustees"). An individual shall be eligible to serve as an Advisory Trustee only if that individual meets the requirements to be an Independent Trustee and does not otherwise serve the Trusts in any other capacity. Any Advisory Trustee shall serve at the pleasure of the Board and may be removed, at any time, with or without cause, by the Board. An Advisory Trustee may be nominated and appointed or elected as a Trustee, at which time he or she shall cease to be Advisory Trustee. Any Advisory Trustee may resign at any time.

Other Powers and Responsibilities

1. The Committee shall review this Charter at least annually and recommend changes, if any, to the Board.
2. The Committee shall periodically review and address matters relating to the engagement and independence of legal counsel employed by the Independent Trustees and shall recommend any appropriate actions to the Board.

3. The Committee shall have the resources and authority to discharge its responsibilities, including authority to retain special counsel and other experts or consultants, advisers or employees at the expense of the appropriate Fund(s).
4. In consultation with independent legal counsel to the Independent Trustees, the Committee shall consider the processes to be undertaken by the Board in connection with the annual assessment of the performance of the Board and the committees of the Board pursuant to rule 0-1(a)(7)(v) under the 1940 Act and under any applicable listing requirements.
5. The Committee shall set forth and periodically review governance principles for the Board and its committees and shall recommend changes, if any, to the Board. Those principles have been outlined in a separate document (Statement of Governance Principles).
6. The actions taken at meetings of the Committee shall be recorded in the minutes of such meetings. Meetings of the Committees may be conducted in person, telephonically, or via video-conference.
7. If the Committee's membership does not include all of the Trustees, the Committee will report on actions taken at its meetings to the Board.
8. The Committee shall have such further responsibilities as are given to it from time to time by the Board.

A shareholder of any series of the Trust must follow the following procedures in order to submit properly a nominee candidate recommendation for the Committee's consideration.

The shareholder must submit any nominee candidate recommendation (a "Shareholder Recommendation") in writing to the Trust, to the attention of the Trust's Secretary, at the address of the principal executive offices of the Trust.

The Shareholder Recommendation must include: (i) a statement in writing setting forth (A) the name, age, date of birth, business address, residence address and nationality of the person recommended by the shareholder (the "candidate"); (B) the series (and, if applicable, class) and number of all shares of the Trust owned of record or beneficially by the candidate, as reported to such shareholder by the candidate; (C) any other information regarding the candidate called for with respect to director nominees by paragraphs (a), (d), (e) and (f) of Item 401 of Regulation S-K or paragraph (b) of Item 22 of Rule 14a-101 (Schedule 14A) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), adopted by the Securities and Exchange Commission (or the corresponding provisions of any regulation or rule subsequently adopted by the Securities and Exchange Commission or any successor agency

applicable to the Trust); (D) any other information regarding the candidate that would be required to be disclosed if the candidate were a nominee in a proxy statement or other filing required to be made in connection with solicitation of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and (E) whether the recommending shareholder believes that the candidate is or will be an “interested person” of the Trust (as defined in the 1940 Act) and information regarding the candidate that will be sufficient for the Trust to make such determination; (ii) the written and signed consent of the candidate to be named as a nominee and to serve as a Trustee if elected; (iii) the recommending shareholder’s name as it appears on the Trust’s books; (iv) the series (and, if applicable, class) and number of all shares of the Trust owned beneficially and of record by the recommending shareholder; and (v) a description of all arrangements or understandings between the recommending shareholder and the candidate and any other person or persons (including their names) pursuant to which the recommendation is being made by the recommending shareholder. In addition, the Committee may require the candidate to interview in person and furnish such other information as it may reasonably require or deem necessary to determine the eligibility of such candidate to serve as a Trustee of the Trust. With respect to each Closed-End Fund, the Shareholder Recommendation also must comply with any timing or additional requirements applicable to shareholder nominations, as set forth in the By-Laws of such Closed-end Fund. In the event of any conflict or inconsistency with respect to the requirements applicable to a Shareholder Recommendation as between those established in these procedures and those in the By-Laws of a Closed-End Fund, the requirements of the By-Laws of such Closed-End Fund shall control.

AUDIT COMMITTEES CHARTER

1. Composition. The Audit Committees (“Committees”) of the Boards of Trustees (the “Boards”) of Wells Fargo Funds Trust, Wells Fargo Variable Trust, and Wells Fargo Master Trust (collectively, the “Open-End Trusts”), Wells Fargo Global Dividend Opportunity Fund (“EOD”), Wells Fargo Income Opportunities Fund (“EAD”), Wells Fargo Multi-Sector Income Fund (“ERC”), and Wells Fargo Utilities and High Income Fund (“ERH”) (collectively, the “Closed-End Funds” and together, with the Open-End Trusts, the “Trusts”) shall be composed entirely of Trustees who are not “interested persons” of the Trusts or of any series thereof, or of any investment adviser or principal underwriter, as defined in the Investment Company Act of 1940 (the “Act”). The Committees of the Closed-End Funds (the “Closed-End Fund Committees”) shall have at least three members who are “independent” as that term is interpreted under Rule 10A-3 under the Securities Exchange Act of 1934 and under the listing standards of each exchange on which shares of the Closed-End Funds are traded, except as otherwise set forth by statute, rule, or listing standard. The full Boards shall designate the members of the Committees, after due consideration of nominations, if any, from the Governance Committee, and shall either designate the Chairman or shall approve the manner of selection of the Chairman. Except for any duties specified herein or pursuant to a Trust’s charter document, the designation of Chairman of the Audit Committee does not impose on such Trustee any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the Committees and the Boards in the absence of such designation.

The Boards shall determine as often as they deem appropriate whether any member of the Committees is an “audit committee financial expert” as defined in Item 3 of Form N-CSR. Any member of the Committees who is determined to be such an expert shall not bear any duties, obligations or liabilities that are greater than the duties, obligations and liabilities imposed on such member as a member of the Committees and the Boards in the absence of such determination.

2. Primary Responsibilities. The primary responsibilities of the Committees are:

- to oversee the accounting and financial reporting policies of the Trusts or their series, as applicable (a Trust or any such series being referred to as a “Fund”, and collectively as the “Funds”), including their internal controls over financial reporting and, as a Committee deems appropriate, the internal controls over financial reporting of key service providers;

- to oversee the quality and objectivity of the Funds' financial statements and the independent audit thereof;
- to interact with the Funds' registered public accounting firm (the "Auditors") on behalf of the Boards, and to interact with the appropriate officers of the Trusts, and the investment managers, advisers, sub-advisers, administrators (collectively, "Management") and other key service providers other than the Auditors regarding accounting and financial reporting matters;
- to oversee, or, as appropriate, assist with the Board's oversight of, the Funds' compliance with legal and regulatory requirements that relate to the Funds' accounting and financial reporting, internal controls and independent audits; and
- to approve the engagement of the Auditors and the approval of their fees annually and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Auditors.

The function of the Committees is oversight. Management is responsible for: (1) the preparation, quality and objectivity of the Funds' financial statements; (2) the implementation of appropriate accounting and financial reporting principles and policies; and (3) the design and maintenance of internal controls and procedures designed to assure compliance with all applicable accounting standards, laws and regulations. The Auditors are responsible for planning and carrying out proper audits of the Funds' financial statements and for performing other procedures as deemed necessary under applicable professional standards. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of Management or the Auditors.

Although the Committees are expected to take a detached and questioning approach to the matters that come before them, any review of the Funds' financial statements by the Committees is not an audit, nor does any review by the Committees substitute for the responsibilities of Management for preparing, or the Auditors for auditing, the Funds' financial statements. Members of the Committees are not employees of the Funds and, in serving on these Committees, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committees or their members to conduct "field work" or other types of auditing or accounting reviews or procedures. In addition, the authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Committees to plan or conduct any audit, to determine or certify that any Fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable laws, or to guarantee any report of the Auditors.

In discharging their duties, the members of the Committees are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data prepared or presented by: (1) one or more officers of the Trusts whom the member reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, the Auditors or other public accountants, or other persons as to matters the member reasonably believes are within the person's professional or expert competence; or (3) another Board committee on which the member does not sit.

3. Duties and Powers. To carry out their responsibilities, the Committees shall have the following duties and powers, to be discharged in such a manner as the Committees deem appropriate, in their sole discretion:

- to approve the engagement of the Auditors to annually audit and provide audit and tax services necessary to support their audit opinion on a Fund's financial statements, to recommend to those Trustees who are not "interested persons" of the Fund (as that term is defined in Section 2(a)(19) of the Act) the selection, retention or termination of the Auditors and, in connection therewith, to review and evaluate matters brought to their attention potentially affecting the independence and capabilities of the Auditors;
- to approve the engagement of the Auditors to provide non-audit services to a Fund, or to its investment adviser (not including a sub-adviser whose role is primarily investment management and is sub-contracted or overseen by another investment adviser) ("covered adviser") or any entity controlling, controlled by, or under common control with the investment adviser ("control affiliate") that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund;
- to implement any policies and procedures for pre-approval of the engagement of the Auditors as are set forth in this Charter to provide audit or non-audit services to a Fund and/or to provide non-audit services to a covered adviser or a control affiliate that provides ongoing services to the Fund, which services relate directly to the operations and financial reporting of the Fund, provided in either case that the policies and procedures are detailed as to the particular services covered;
- to consider whether the provision by the Auditors of non-audit services to a covered adviser or a control affiliate that provides ongoing services to the Fund, which services were not required to be pre-approved by the Committees, is compatible with maintaining the Auditors' independence;
- to assess the Auditors' independence at least annually, in connection with which, the Committees shall receive and review a report by the Auditors disclosing all relationships that may affect the Auditors' independence, including the disclosures required by Public Company Accounting Oversight Board ("PCAOB") Rule 3526 or any other applicable auditing standard and any relationships of the Auditors' affiliates that could reasonably be thought to bear on the independence of the Auditors;
- to receive from, to review and to discuss with the Auditors, and with Management and other key service providers to the extent the Committees deem appropriate, the matters about which PCAOB Auditing Standard No. 16 (Codification of PCAOB Statements on Auditing Standards) requires communication, including those specifically mentioned in this Charter;
- to review the arrangements for and scope of the Funds' annual audits and any special audits;
- to review and approve the fees proposed to be charged to the Funds by the Auditors for all audit and non-audit services;
- to meet with, and consider information and comments from, the Auditors with

respect to the Funds' financial statements and the Funds' accounting and financial reporting policies, procedures and internal controls (including the Funds' critical accounting policies and practices and any adjustments to a Fund's financial statements recommended by the Auditors), and to consider Management's responses to any such comments and, to the extent the Committees deem necessary or appropriate, to promote improvements in the quality of the Funds' accounting and financial reporting;

- to review the form of engagement letter used by the Funds to engage the Auditors for all audit and non-audit services;
- to oversee the resolution of any material disagreements between Management and the Auditors regarding financial reporting that are brought to the Committees' attention;
- to review with the Funds' principal executive officer and/or principal financial officer, in connection with their certifications of any filings by the Funds on Form N-CSR or any successor form, any significant deficiencies in the design or operation of disclosure controls and procedures or material weaknesses therein or in internal controls over financial reporting and any reported evidence of fraud involving Management or any other key service providers or any of their employees who have a significant role in the Funds' disclosure controls and procedures;
- to investigate or initiate investigation of reports of improprieties or suspected improprieties in connection with the Funds' accounting or financial reporting;
- to report their activities to the respective Boards on a regular basis and to make such recommendations with respect to the matters described above and other matters as the Committees may deem necessary or appropriate;
- to inquire of the Auditors and Management as to whether appropriate staffing levels are being maintained within the audit engagement team, internal accounting and administration staff; and
- to perform such other functions and to have such powers as may be necessary or appropriate in the efficient and lawful discharge of the foregoing.

4. All Closed-End Fund Committees. The Closed-End Fund Committees shall be directly responsible for the appointment, compensation, retention and oversight of the work of any Auditor engaged (including resolution of disagreements between Management and the Auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Closed-End Funds, and each such Auditor must report directly to its respective Closed-End Fund Committee.

The Closed-End Fund Committees shall also establish procedures for (1) the receipt, retention, and treatment of complaints received by the Closed-End Funds regarding accounting, internal accounting controls, or auditing matters; and (2) the confidential, anonymous submission by employees of the Closed-End Funds, the Closed-End Funds' investment adviser, administrator, principal underwriter (if any) or any other provider of accounting-related services for the Closed-End Funds, of concerns regarding questionable accounting or auditing matters.

Each of the Closed-End Fund Committees shall have the power, in addition to the responsibilities, duties and powers included elsewhere in this Charter, to be discharged in such a manner as the Committee deems appropriate in its sole discretion, to review such disclosures or statements made by the respective Closed-End Fund Committee in the Closed-End Funds' annual or semi-annual report or proxy statement.

5. NYSE American Closed-End Fund Committees. Any Closed-End Fund with shares listed on the NYSE American exchange (formerly NYSE MKT) (the "NYSE American") must comply with applicable listing standard requirements.¹ Accordingly, each member of an audit committee of a fund listed on the NYSE American ("NYSE American Closed-End Fund Committee") must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. Further, at least one member of a NYSE American Closed-End Fund Committee must be "financially sophisticated," as such term is defined in the listing standards of the NYSE American².

The purpose of a NYSE American Closed-End Fund Committee includes, in addition to the responsibilities, duties and powers included elsewhere in this Charter, overseeing the accounting and financial reporting processes and audits of the Closed-End Fund. NYSE American Closed-End Fund Committees must actively engage in a dialogue with the Auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the Auditors and are responsible for taking, or recommending that the Boards take, appropriate action to oversee the independence of the Auditors. Committee members must not have participated in the preparation of the financial statements of the Closed-End Fund at any time during the three years prior to appointment to the NYSE American Closed-End Fund Committee. The NYSE American Closed-End Fund Committees shall meet on a regular basis, as often as necessary to fulfill their responsibilities, including at least annually in connection with the issuance of audited financial statements.

6. New York Stock Exchange Closed-End Fund Committees. Any Closed-End Fund with shares listed on the New York Stock Exchange (the "NYSE") must comply with applicable listing standard requirements.³ Accordingly, each member of an audit committee of a fund listed on the NYSE ("NYSE Closed-End Fund Committee") must be "financially literate" (or become so within a reasonable time after his or her appointment to the committee).⁴ Further, at least one member of an NYSE Closed-End Fund Committee must have "accounting or related financial expertise".⁵

The purpose of a NYSE Closed-End Fund Committee includes, in addition to the responsibilities, duties and powers included elsewhere in this Charter, assisting with the Board's oversight of the integrity of the Closed-End Fund's financial statements, the Closed-End Fund's compliance with legal and regulatory requirements, the qualifications and independence of the Closed-End Fund's Auditors, and the performance of the Closed-End Fund's internal audit functions (if any) and Auditors.

The NYSE Closed-End Fund Committee shall have the following duties and powers, in addition to the responsibilities, duties and powers included elsewhere in this Charter,

to be discharged in such a manner as the Committee deems appropriate, in its sole discretion:

- to obtain and review at least annually a report from the Auditors describing (1) the accounting firm's internal quality-control procedures, (2) any material issues raised (a) by the Auditors' most recent internal quality-control review or peer review or (b) by any governmental or other professional inquiry or investigation performed within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to address any such issues, and (3) all relationships between the Auditors and the Closed-End Fund to assess the Auditor's independence;⁶
- to meet to review and discuss with Management the Closed-End Fund's audited annual and unaudited semi-annual financial statements, as well as the annual "Management's Discussion of Fund Performance" prior to inclusion, in its Form N-CSR;
- to discuss any press releases regarding the Closed-End Fund's investment performance, distributions and/or other financial information about the Closed-End Fund, as well as any financial information provided to analysts or rating agencies. The NYSE Closed-End Fund Committee may discharge this responsibility by discussing the general types of information to be disclosed by the Fund and the form of presentation (i.e., a case-by-case review is not required) and need not discuss in advance each such release of information;
- to discuss guidelines and policies with respect to risk assessment and risk management;
- to review with the Auditors any audit problems or difficulties encountered in the course of their audit work and Management's responses thereto;⁷
- to set clear policies for the hiring by the Closed-End Fund of employees or former employees of the Closed-End Fund's Auditors, to the extent that the Closed-End Fund intends to have employees;
- to report regularly to the Closed-End Fund Board; and
- to consider whether to recommend to the Board that the audited financial statements be included in the annual report for the Closed-End Fund.

The performance of the NYSE Closed-End Fund Committee shall be reviewed at least annually by the Committee or by the Board and may be conducted as part of the Board's annual self-assessment. Unless otherwise determined by the Board, no member of the NYSE Closed-End Fund Committee may serve on the audit committee of more than two other public companies.⁸

7. Meetings. Unless otherwise specified in this Charter, each Committee shall meet at least twice annually, and is empowered to hold special meetings as circumstances require. The Committees shall record minutes of their meetings and shall invite Trustees who are not members of the Committees, Management, counsel and representatives of service providers to attend meetings and provide information as the Committees, in their sole discretion, consider appropriate. The Committees shall periodically meet separately in executive session with the Auditors. Meetings of the Committees may be conducted in person, telephonically, or via video-conference.

8. Auditor Pre-Approval. The Auditors are hereby pre-approved to: (a) audit newly created Funds; (b) perform “agreed upon procedures” reviews in connection with Fund reorganizations and/or provide comfort letters in connection with securities offerings; (c) review special Fund registration statement filings; (d) provide comments to regulatory filings; and (e) perform non-audit services for a Fund, and for the Fund’s covered adviser and its control affiliates that provide ongoing services to the Fund where the engagement relates directly to the operations and financial reporting of the Fund, provided that any such non-audit services fall within the specified categories of services listed on Tab A and that the fees for such services do not exceed the pre-approved dollar amounts listed on Tab A. To the extent that the non-audit services or fees would fall outside of the aforementioned pre-approvals, such services or fees may be pre-approved by the Committees, or by the Chairman pursuant to delegated authority in accordance with Section 9 below.

9. Pre-Approval Procedure. The Chairman of the Committees is authorized to pre-approve: (1) audit services to the Funds; (2) non-audit tax or other categories of services identified in Section 8 above or compliance consulting or training services provided to the Funds by the Auditors if the fees for any particular engagement are not anticipated to exceed \$50,000; and (3) non-audit tax or compliance consulting or training services provided by the Auditors to a Fund’s covered adviser and its control affiliates (where pre-approval is required because the covered adviser or its control affiliate provides ongoing services to the Fund and the engagement relates directly to the operations and financial reporting of the Fund) if the fee to the Auditors for any particular engagement is not anticipated to exceed \$50,000. For any such pre-approval sought from the Chairman, Management shall prepare a brief written statement describing the proposed services. If the Chairman approves of such service, he or she shall sign the statement prepared by Management or otherwise evidence in writing his or her approval, which may be given by electronic mail. Such written statement, or the written engagement for the proposed services described in the statement, shall be reported to the full Committees at their next regularly scheduled meeting.

10. Availability. The Committees shall be reasonably available to meet with the Treasurer and other appropriate officers of the Trusts, and with internal accounting staff, and individuals with internal audit responsibilities, for consultation on audit, accounting, and related financial matters.

11. Resources. The Committees shall be given the resources and shall have the authority appropriate to discharge their responsibilities, including the authority to retain special or independent counsel and other experts, advisors or consultants at the expense of the appropriate Fund(s) and to determine the appropriate funding for payment of compensation to Auditors for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for a Fund and the Committees’ ordinary administrative expenses that are necessary or appropriate in carrying out their duties.

12. Miscellaneous. The Committees shall review and reapprove this Charter as often as they deem appropriate, but not less often than annually, and recommend any changes that they deem appropriate to the Boards. The Committees shall have such further responsibilities as are given to them from time to time by the Boards. The Committees shall consult as they deem appropriate with Management, the Auditors and counsel as to legal or regulatory developments affecting their responsibilities, as well as relevant tax, accounting and industry developments. The actions taken at meetings of the Committee shall be recorded in the minutes of such meetings. If the Committees' membership does not include all of the Trustees or if otherwise requested by the Boards, the Committees will report on actions taken at their meetings to the Boards. The Committees shall have such further responsibilities as are given to them from time to time by the Boards.

Nothing in this Charter shall be interpreted as diminishing or derogating the responsibilities of the Boards.
